Visiting artists are selected by a committee of Managing Members of Harbour View Gallery. Work is evaluated on the basis of originality of design, craftsmanship, marketability, and appropriateness for Harbour View Gallery. Selected artists will be required to sign a contract agreement which states a 40% commission will be retained by Harbour View Gallery on all work sold during the exhibition. You are also required to drop off your artwork at a scheduled date, attend a reception in your honor, and pick up your work at the end of the scheduled exhibition. The Visiting Artist Program Director will contact you with the results of your application which could take a month or more. Thank you for your patience.
